FEATURES

Workstand Team is Elite's bike stand with **maintenance clamp**, which has been used for years by the best professional WorldTour teams.

Stable, light and compact, Workstand Team is a safe and easy to handle bike support thanks to the **360° rotatable clamp**: useful both for bike maintenance and washing operations.

LIGHT, FOLDABLE AND WITH A 360° ROTATABLE CLAMP

Made of steel for lightness and durability, **Workstand Team** can be **adjusted in height** and it is equipped with a **360° rotatable clamp**, perfect to make any type of activity on the bike simple and comfortable.

Weighing just 7,6 kg / 16,75 lbs, **Workstand Team** can accommodate a **maximum load of up to 17 kg / 37,48 lbs**.

Easy to transport with minimal space requirements thanks to its **folding design**, this repair stand is ideal both for **on-the-road mechanical work** and for **bike maintenance and cleaning operations** at home or in the workshop.

PRECISE MECHANICAL TASKS ON YOUR BIKE

Workstand Team consists of a stable **adjustable structure** with a fixing clamp to allow you to safely carry out precision mechanical work on the front and rear forks of the bike, clean the gears, replace the chain, and perform other maintenance operations on the bike.

Compatible with all bikes available on the market.
